

I will come to You

C **Am** **G**
I want to give myself
C **Am** **G**
Because You gave it all for me
C **Am** **F2**
I want to live, only for You
C **G** **C**
So I'll be the one You want me to be

My heart is beating with Your heart
If I am hurt, You cry with me
My mind is singing of Your love
And my soul loves You deep, Father

C **F2** **C**
I will come to You
F2 **G**
You are waiting for me
F2 **C**
And when I will be there
F2 **Am** **G**
You will hold me in Your arms
F2
I know You are waiting
Am **G** **F2**
To hide me in Your presence
F2 **C** **G** **C**
I will come to You, oh Lord

I will give myself
Because You gave it all to me
I only want to live for You
So I will be the one You want me to be
