**Gsus – Csus/G**

**Gsus**

My desire

**Amin7**

Is to follow You

**C/D**

In all that I do

**G**

My desire

**Amin7**

Is to honour You

**C/D**

So I come to You

**F**

Here I am

**C/E**

Before Your throne

**Es**                    **Bes/D**            **Bes/D C/E F**

Take away what hinders me

**C/E**

I give my pain and my fears

**Es**

**Dsus-D**

Fill my life with Your love

I long to be

Close to You

Hold me near, embrace me

Holy God

Lift me up

I am in Your hands
