

Carry me home

solo

You see every tear,
that falls, on the ground
Drop after drop, You see it all
You see every smile,
that I would fake
Again and again,
You know it all

backing kleuren

Father You, You are here backing delay MS

Father I, cannot see clear(ly)

Father me, hold me close backing delay MS

Father please, carry me home

Carry me home

solo

You know my heart, my deeds,
my thoughts and even more,
Amazing God, You know it all
You know my deepest call,
The will to worship You,
And to give my all
