

Through and through

Lord touch me now, show me Your way
Guide me through my tears backing kleuren
Lord come to me, I never felt a love so strong
Now I know (now I know)
Where I belong (I belong)
I belong to You backing kleuren

Chorus:

I found what I have searched for my whole live backing delay
And I never want to let that go backing aanhouden
I've lived like had to live, but You saved me backing delay
Through and through, through and through

Lord touch me now, show me Your grace
Refill my emptiness backing kleuren
Lord fill me now, I never knew a Friend like You
Now I see You (now I see You)
I belong to You (I belong to You)
I will never be lonely again backing kleuren

CHORUS repeat 2 times
