

# Through it all

Sometimes, in the middle of it all i just cannot go on,  
like i used to do

Sometimes, in the run of the day, i just cannot be,  
cannot be the same and smile

and i know, i know that i need you more than ever  
i need you so much more today, right now

Please hold me near, Lord take my fears  
and remember me, how life should be, the better way  
Please let me see, Your love for real  
You... are good , through it all

today in the middle of it all, i just cannot see  
like i use to see You  
today every hour i counted, seems like this day  
would never go by

prechorus  
chorus

no one could ever know, what i am going through  
seems like impossible, to find someone  
but You are here Lord, You see everything,  
Help me to see Your strength, again backing delays MS

You hold me near, and You take my fears (and)  
You remember me, how life will be, the best way  
You let me see, Yes You carry me  
You are good, through it all  
You are good, through it all
