

Truly Friend

Em **D2**
Tears sometimes fall on the ground
 A2
but even when I think it's worthless to cry
 Em **D**
I know You count them all
Em **D2**
Heartcry so deep I cannot breathe
 A2
To much pain to tell it to someone,
 Em **D2**
but I know You understand it all

C2 **D2**
I need You God
C2 **D2**
You are my truly Friend
C2 **D2**
You'll never let me fall
 A2
You see everything of me

Questions softly playing in my head,
wondering why everything is so wrong
I know you know it Lord
I long to be a light in all the way
so they can see the truth in me,
I know You want me to be
