

You gave it all

F – G – Am – D / # G Am

You gave me a whole new life, I didn't deserve it
But it's all because of Your mercy
You embrace my life with Your love
I've found new life in You

F – G – A – G – F / F# - Es

You gave it all
So I could live
You didn't turn away
You healed my pain
You took all my sorrow
You gave me a whole new life

F – G – Am – D / # G Am

You gave everything You've had
You gave everything I needed
You gave Your life so I could live
I found my life in You
